Comrade Hyena (Az4z4l) Owner

[Discussion/News/Questions](#)

I've noticed a lot of sectarians here. Whether it be tankies calling anarchists out, or anarchists calling Leninists and Trotskyists fake communists.

We are all each others comrades. Unified under one flag, but diversified by our ideologies.

We may disagree on things, but we all have a common enemy, and that's the right wing.

"Crowned heads, wealth and privilege may well tremble should ever again the Black and Red unite!"
