# feminism in Pashto

translation and definition "feminism", English-Pashto Dictionary online

**feminism** 

 add translation 

Type: noun;

• [فیمینزم](#)

collection of movements and ideologies aimed at defining, establishing, and defending equal rights for women

A social theory or political movement supporting the equality of both sexes in all aspects of public and private life; specifically, a theory or movement that argues that legal and social restrictions on females must be removed in order to bring about such equality.

The state of being feminine; femininity. [from 1851; less common after 1895]
