kita mutakati

we agree

**Maka biar betapa pun dan
bagaimanapun kita pisah-pisah oleh karena tugas kita berlain-lain, tapi tiap-tiap tugas itu dan cara bagaimana kita mengusahakannya, harus ter-maktub di dalam salah satu pokok
Pancasila itu, menurut paham yang lebih dulu sudah kita sesuaikan atau sudah kita mutakati antara kita dengan tidak ada syak dan tidak ragu-ragu.**

**Then no matter what and
however we are separated because of our different tasks, but each one is and
how we work on it, we need to be in one of the trees
That idea, according to our prior knowledge we have adapted or agreed upon
between us with no doubts and no doubts.**
