

# עִם סְגֻלָּה

*Chaverim*: Regardless of your ethnic background, or your gender, or your social status in this world, understand that you are *am segulah* (עִם סְגֻלָּה) - precious and elect, and part of the family of God. Do not "cut yourselves" in mourning or regard yourselves as without hope. You are now *Kohanim I'El Elyon* - priests of the Most High God - "like living stones being built up as a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Yeshua the Messiah" (1 Pet. 2:5).
