## The Corporatocracy's Usury Against The American People: Our Health Care System Ranks Dead Last With Costs 200% Higher Than Comparable Nations

And since our government has done nothing to really transform the cost model with this health care bill, Americans will all now be required under federal law to line the pockets of private for-profit health insurance companies at rates near 200% that of other developed democracies. The Soviet Union lives. And it is us. The American people are being bilked dry by the corporatocracy in just

I'm an electrical engineer and mathematician by

training. My career has spanned diverse areas of expertise from being part of a team which designed the world's most powerful computers to corporate consulting around business transformation and information-based solutions to being a corporate sales and marketing executive in the information technology and business consulting space. I've led teams responsible for innovative and transformative solutions and been part of teams that helped set strategy for many of America's greatest companies. Two of my interests are econometrics and quantitative - qualitative analysis. Over the years I have developed risk-based models and trading

**QUOTES FOR DAILY REFLECTION, SELF-IMPROVEMENT AND SUCCESS**

"Sometimes it falls upon a generation to be great. You can be that great generation." - Nelson Mandela

"A leader is best when people barely know he exists. When his work is done, his aim fulfilled, they will say, 'We did it ourselves.'" - Lao Tzu

"Do not fear to be eccentric in opinion, for every opinion now accepted was once eccentric." - Bertrand Russell

about every way imaginable.

The great wealth transfer and risk-shifting schemes from banksters, insurance companies, oligopolies and a predatory government continues as *Greatness Slips Away*.

Change you can believe in.
