In what a new Kremlin report is calling one of the most ‘astounding’ capitulations in World history, President Obama and the United States Congress, while using the current Global economic crisis as ‘cover’, have given over control of nearly their entire country to the United Nations by passing in near secrecy the most massive law in United States history this past fortnight called the "Omnibus Public Land Management Act of 2009".

This stunning information has also been confirmed by Western propaganda news sources, and as we can read from this March 25th report by the Environmental News Service:

"Congress today approved a massive public lands bill that protects two million acres of wilderness in nine states and a thousand miles of rivers, a 50 percent increase in the wild and scenic river system. It establishes new national trails, national parks and a new national monument and provides legal status for the National Landscape Conservation System, which will protect some of the country's most spectacular landscapes.

The package of 164 separate bills bundled together, known as the Omnibus Public Lands Management Act of 2009 (H.R.146), has been stalled several times on its way to approval, most recently on March 11, when the measure fell two votes short of the two-thirds majority in the House required at that time.

Today, only a simple majority was required and the House passed the bill by a vote of 285 to 140. The bill was approved by the Senate last week and now goes to President Barack Obama for his signature into law. President Obama is expected to sign the
The radical US environmental group known as The Wilderness Society, who have long advocated that all Americans be forced out of their rural homes and into vast urban zones, further states about this chilling new law:

"This is a tremendous day for wilderness and for all who cherish our public lands. Congress just passed the Omnibus Public Lands Management Act, the largest addition to the National Wilderness Preservation System in over a decade and one of the biggest public land conservation measures ever."

These Kremlin reports, however, point out that this massive new law authorizes President Obama to 'evacuate' all American citizens from what are being called United Nations Biosphere Reserves and Corridors by 'no later than' April, 2011, and which in effect will nearly totally depopulate the United States rural areas forcing tens of millions of Americans into vast urban zones where they can be better controlled and watched over by their police authorities.

Virtually unknown to the masses of these American people are that the warnings of what is now happening to them now has been forewarned about, including in March, 2006, when the World Net Daily News Service warned in their report titled "The U.N.'s global land grab" that:

"The agenda for U.N. Biosphere Reserves is set in UNESCO documents known as the Statutory Framework and the Seville Strategy, both of which were developed with "consultation" from the IUCN.

Biosphere Reserves, by definition, include "core wilderness areas" protected from human use, which are surrounded by "buffer zones," which are managed for conservation objectives. Those are surrounded by "zones of cooperation," which are "laboratories for sustainable development."

Demographic statistics from the United States are further showing that these Americans already have the World’s most urbanized society with over 81% of their population residing in cities and suburbs, and which by reason of the current collapse of their economy is forcing millions more of their citizens to flee their small towns and rural areas as they are left homeless and jobless.

Even more chilling for these Americans is that their current leader President Obama has inherited from his predecessor all of the powers needed to radically alter their society into a virtual police state, and as we can read as reported by the Prison Planet News Service in their report titled "Top Constitutional Scholar: Secret Bush Memos Reveal Plan For "Massive Military Takeover Of US", and which says:

"A top constitutional scholar has said that recently released Justice Department memos prove that nefarious elements within the Bush Administration were planning a massive military takeover of the country and that the documents should be used to bring charges of treason.

In an interview with author Naomi Wolf, legal expert Michael Ratner explains how the move toward total elimination of First, Fourth and Fifth amendment rights, as outlined in the memos, cannot be taken in isolated relation to terrorism related prosecutions and instead represents a smoking gun of a larger intention toward the general population.

"The memos revealed how massive the takeover of our democracy was to be — that this wasn’t just going to be a few individuals here or there who suffered the arrows of a police state.” Ratner says.

"These memos lay the groundwork for a massive military takeover of the United States in cahoots with the president. And if that's not a coup d'é tat then, nothing is.”

To the ultimate goal of these New World Order Globalists in destroying the United States we can read as reported by the Fox News Service "U.N. 'Climate Change' Plan Would Likely Shift Trillions to Form New World Economy", and which
warns:

"A United Nations document on "climate change" that will be distributed to a major environmental conclave next week envisions a huge reordering of the world economy, likely involving trillions of dollars in wealth transfer, millions of job losses and gains, new taxes, industrial relocations, new tariffs and subsidies, and complicated payments for greenhouse gas abatement schemes and carbon taxes — all under the supervision of the world body.

Those and other results are blandly discussed in a discretely worded United Nations "information note" on potential consequences of the measures that industrialized countries will likely have to take to implement the Copenhagen Accord, the successor to the Kyoto Treaty, after it is negotiated and signed by December 2009. The Obama administration has said it supports the treaty process if, in the words of a U.S. State Department spokesman, it can come up with an "effective framework" for dealing with global warming."

But to the real goal of these Global elitists we can, perhaps, gain a greater insight into their agenda by examining one of their top leaders, Henry Kissinger, and of whom it is written:

"President Obama’s National Security Advisor, General Jim Jones made a very curious comment at the 45th Munich Conference on Security Policy in Germany. He said:

"Thank you for that wonderful tribute to Henry Kissinger yesterday. Congratulations. As the most recent National Security Advisor of the United States, I take my daily orders from Dr. Kissinger, filtered down through General Brent Scowcroft and Sandy Berger, who is also here."

Jones' comment appeared to be an unsuccessful attempt at dry humor – only a few in the audience actually laughed – in acknowledging Dr Henry Kissinger’s enormous influence in U.S. foreign policy which had been acknowledged a day earlier with a prestigious award. Many, however, immediately viewed Jones’ comment as an unguarded admission of who really is in charge of U.S. policy. Jones comment raises two serious questions. How much influence does Kissinger exert over the Obama administration and the policy making process? Furthermore, what influence does Kissinger have over U.S. policy on UFOs and extraterrestrial life?

Kissinger’s influential role in setting U.S. foreign policy is generally viewed as starting with his role as President Nixon’s National Security Advisor in 1969 during the Vietnam War. Kissinger’s role in steering U.S. policy, and his failed efforts to bring an end to the Vietnam war have led to many criticisms against him. The most controversial is Kissinger’s role in the failure of President Johnson’s peace efforts during the final months of his administration in 1968. Released Presidential tapes reveal that Johnson concluded that Nixon’s associates were engaging in treason. Kissinger’s covert activities during both the 1968 Presidential campaign and later as National Security Advisor has led to accusations that he unnecessarily prolonged the Vietnam War for political gain.

Kissinger’s influence over U.S. foreign policy, however, dates from much earlier than the Vietnam War. His influence dates from experiences in Germany during World War II when he was part of the Army’s Counterintelligence Corps, and helped identify Nazi scientists familiar with advanced technologies of interest to the U.S. Some of the Nazi scientists retrieved in Operation Paperclip were directly involved in advanced technological projects that according to the father of modern rocketry, Hermann Oberth, had been assisted by knowledge of extraterrestrial life and technology. He said:

... we cannot take credit for our record advancement in certain scientific fields alone. We have been helped. “When asked by whom, he replied, “the peoples of other worlds.”

To the fullest understanding of all of these events, one need look no further than the Sorcha Faal’s seminal work "Battle Begins For Throne of This World: The Return of the Einherjar Warriors" to which she warned:

"On July 4, 1996, the 3,000 anniversary of the establishment of Jerusalem as the capitol of Israel by King David, and the 220th anniversary of the founding of the United States of America, British Prime Minister Ron Major announced that the "Jeremiah Stone", also known as "The Stone of Scone", was to be removed from its 700-year-long resting place in Westminster Abbey and returned to Scotland where it had been stolen by King Edward I in 1296."
To the greatest significance, however, of this historic event lies not in the year of the Jeremiah Stone being moved, 1996, but that 2008 marks the year that the “12 Cycles of the Zodiac” have been passed since the moving and which, according to the ancient prophecies, shows that this coming year marks the beginning of the Battle for the Throne of this World.”

Little do these Americans know the catastrophes soon to befall them as this battle for our Earth, our very existence, hangs in the balance as the ‘days of the ancient gods’ come upon our human race once again.

www.loveforlife.com.au - 8th February 2012 - 89 Minutes 47 Seconds. Arthur discusses a wide range of subjects from Freeman & the law to how "The System" is designed to have us process the curses of "The System". He talks about his and Fiona's experiences with the law & why Love For Life started. Arthur also discusses the remedy to the tyranny of "The System" & the way back to peace, truth, freedom, joy, abundance & Do No Harm for all of life without loss of uniqueness or the need for slaves & rulers. Who we really are, what we are really part of & our true purpose is very different to what we are taught by the brainwashing of "The System" that has us re-present the thoughts of other men & women rather than thinking unique thoughts inspired by direct experience, perception interaction with nature. Everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is touched on.

Control the land and you control MAN on the land
Displace MAN from land and you turn MAN into slaves
By Arthur & Fiona Cristian
Love For Life

April 2011

This is an extract taken from a recent Facebook Discussion.
Links to all these Facebook discussions/debates can be found here:

Control the land and you control MAN on the land
Displace MAN from land and you turn MAN into slaves

All men, women and children have a natural inheritance to a piece of land (a hectare is sufficient) to care for and co-create life with, land with access to clean water and shelter where they can grow food and raise their families in peace and freedom, doing no harm to the land, to their lives and all of life, and passing on the land and its abundance to their descendants and tribes/villages/communities.

Is there any man, woman or child who will come forward and say we do not have that natural inheritance?

For what are we without land?

Our natural inheritance comes without the threat of being stolen or sold, and is unencumbered by debt or any other man-made restriction BUT comes with full responsibility for nurturing that land and doing no harm. Once we give up our responsibility, we need masters and, once we need masters, we become slaves. We lose our freedom and we lose our uniqueness.
We were never meant to be in the image/likeness of another MAN'S thought but, once we have masters, we are forced to mould the men, women and children we are into the likeness of the thoughts of our masters. When we are displaced from land, we have to rely on our masters for everything, thus acquiescing our freedom, uniqueness and responsibility as we accept the handouts and "The Systems" of our masters. We become the cogs of "The System", drones turning on our brothers and sisters of life, once all MAN on the land, in the name of "The System" which only benefits the tiny few who control "The System". The local councils, etc, have become the Land Barons of "The System", at the beck and call of the Priests who control everything.

Free on the land, able to provide our families with all they need, we are free to be the unique men, women and children we are meant to be, thinking thoughts that are unique to each of us as we contemplate on and interact with nature all around us.

All our problems stem from the lie that some men and women have the right to have power and control over others and, when we accept this lie, we support and maintain it.

No MAN is master of another MAN

All men are equal

Displacing MAN from land is slavery

MAN on the land is where true peace and freedom for all begins

The statutes of Council rules, etc, are all part of the scam to keep MAN from being free on the land. Common Law, Democracy and Constitutional Rights, etc, do nothing to solve this problem as they also support the displacement of MAN from land because most people cannot compete in "The System" of commerce as their natural skills lie elsewhere and they are not good at making money out of other men and women; they don't like it. Those who cannot compete are discriminated against; they have lost their uniqueness and their freedom on the land and they become the garbage collectors, the sewerage workers and all the other cogs through the rank and file of the blue and white collar workers. The dog-eat-dog, survival-of-the-fittest-and-smartest "System" keep the few in control of all the land so that they can control all the men and women residing on that land.

The Church, The Bar, The Courts, The Aristocracy, The Governments and Councils are the means by which the few maintain control of the land and maintain the lie of some having power and control over others. They are not to be found anywhere in nature and anywhere there are tribes still living peacefully in pristine forests. Where they exist is where all the tribes were displaced from the land and where the remnants of the tribes and those sent in to live amongst them, live under the control of the Church and its systems. Operating out of this lie, those who work for "The System" can only do harm. If they want to go with truth, they can only stop working for "The System" and do all they can to get it out of our lives.

The cogs of "The System" can come and do harm to anyone on the land at any time without having to take responsibility for it, although all harm is a curse and curses always return to the makers and holders of the curses.

The key to our freedom is in removing the power & control of the few over the land. Once we do that, they have nothing.

Who are they to think they can tell us we are not free?

All Man-Made "Systems" Require Slaves And Rulers

All man-made systems require slaves and rulers. It is impossible to avoid this fact, this circumstance. Being forced to live under the rules, regulations, rituals, procedures, conditions and contracts of any man-made system causes a loss of uniqueness to everyone exposed to them. No man, woman or child is answerable to anyone or anything re-presenting a man-made system. We were never meant to give up FULL-responsibility for our lives, which is what we do when we acquiesce to any man-made system, be it cashless or not, gold standard or not, religious, political, legal, social,
environmental, spiritual, philosophical, commercial, esoteric, international or domestic or not, and fall under the standing of its authorities, representatives and enforcers. All man-made systems are a scam as will be the coming New World Order system with its cosmic, galactic, Christianised, feel good/feel god, "Oneness" glue remedy to cure the present earth-wide chaos engineered by the tiny few who still want all the power and glory. This cashless "one-world" remedy will be overseen by an earth-wide power structure no different to the Federation overseeing the non-sense cashless world of Star Trek.

Tools used by those behind man-made systems to indoctrinate the masses include all religions, holy books, history books, science, the New Age and all forms of education stemming from any of the many universities presently offering "system career" courses across Earth. Placed on the conveyor belt running through factory planet earth, brainwashed men and woman are being manufactured in sameness moulds to produce individuals (in-divide-u-all-s). We are already unique, not one the same as the next, but all man-made systems trick us through propaganda and manipulation into giving up our uniqueness so we can become the willing slaves and rulers in "The System". All man-made systems (all beliefs, faiths & associated opinions) cause loss of uniqueness. As already mentioned we were never meant to be in the image/likeness of another mans thought.

Broken up into individuals, we no longer feel the bonds between us which is why we think we need an artificial system to co-exist. All Freemasonic/Satanic holy books, and belief systems exist to keep us in an individualised state so that we accept "The Systems" that control us therefore giving our power and life-force-energy away to those hiding behind "The Systems" to rule us with. There is no other reason or purpose for their existence. They are all designed to con us into being ruled by man-made systems, to con us into accepting third party figures, whether saviours or "leaders" so that we give up the responsibility for our lives here and now to them. Even to the point where we no longer think that what is happening on Earth is important because we believe in "life after death" or the ascended masters of the Galactic Federation or some "other world" out there where we will have peace from the pressures of life under "The System". They all come packaged as fairytales with fairytale props and characters for us to give up our responsibility for our lives here and now so that we can be ruled by those Freemasons/Satanists hiding behind "The System" of those fairytales.

This is why the Freemasonic/Satanic world always operates in the shadows. They are the master puppeteers pulling at the strings of the belief, faith and associated opinion of their marionettes. Just as little Mary is unable to bring forward the Alice in Wonderland characters and settings she is playing to prove they exist neither are those who believe in "The System" fairytales able to bring forward 1st party to 1st party proof/substance of their existence. All they can do is re-present them but they are the only ones present; the characters are not. No matter how intense and for how long they believe in their fairytales and how much they argue for them and protect them, the believers only have their belief, faith and associated opinion. The brainwashing is extensive.

Individualism is as if we go to the ants and say, "Hey ants! We are changing your values and giving you a new program called individualism. You are now free to be in-divide-u-all-s; you can each have your own truths and no one has the right to take them away from you." And so the ants go off to become materialists, Buddhists, Christians, Jews, atheists, republicans, democrats, New Agers, conservatives, punk rockers, journalists, psychologists, politicians, priests, banksters, judges, lawyers, etc, etc. Meanwhile back in the ant world colony, who is taking care of the babies and the elderly and maintaining the nest? Inevitably, the ant-world perishes and all individualised ants go with it! This is what is happening to MAN and MANS Earth. Is this the consequence we all want? We each need to take full-responsibility for our lives so that together the responsibility for taking care of Life is taken care of. Passing the buck to a 3rd party God, man, woman, fiction, law, political party, piece of paper, electronic/digital recording device, etc, stops each of us from taking full-responsibility for life.

We are determined to co-create Kindoms/Do No Harm Communities to be the living-remedy that provides an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without the need for having slaves and rulers or causing loss of uniqueness.

ADDITIONAL DISCLAIMER

Note: Updated Wednesday 17th June 2009 8.00pm Sydney Time.

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 11,000 individual documents, articles, videos, podcasts and debates/discussions are posted: http://loveforlife.com.au/node/82. We clearly see the evidence of the destruction to MAN and Earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 individual articles, documentaries, etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: Tibet - Buddhism - Dalai Lama: http://loveforlife.com.au/node/6271 Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: http://loveforlife.com.au/court_case orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

We have been accused of being anti - Jewish because we had posted an excerpt from James von Brun's book: Kill the Best Gentiles! http://loveforlife.com.au/node/6054 in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down,
because they have decided it is anti-Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate our lives into groups, dividing our lives from others with rules, regulations, rituals, procedures, conditions and contracts, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and Earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the do no harm alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for their lives, others and Earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and Earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and Earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, exclusivity, privilege, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction.

If we truly want peace and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation/life. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES (KINDOMS): http://loveforlife.com.au/node/6608 - http://loveforlife.com.au/node/3641 For more details see here: http://loveforlife.com.au/node/6511 and here: http://loveforlife.com.au/node/3385 - We also highly recommend that everyone read the brilliant Russian books called The Ringing Cedars: http://loveforlife.com.au/node/1125 - The Love For Life homepage/front-page also provides lots of inspiring remedy based information: http://loveforlife.com.au - If you want to be kept up to date with our work please register to the Love For Life mailing list here: http://loveforlife.com.au/campaign_list We usually send two postings per month. THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

• We have no intention of ending our own lives.

• We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.

• We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.

• Standing for freedom takes courage; together we shall be strong in the face of all odds.

• If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.

• We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.

• We Do Not Have Multiple Personality Disorders

Update Regarding The Love For Life Home Page And Quick User Guide

We are turning this Love for Life Quick User Guide http://loveforlife.com.au/node/6608, also found on the Love For Life Home Page http://loveforlife.com.au, into a blog (scroll down this page below points 1 to 13 & after the Facebook links) of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates. As we do not have the time
to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture. Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here (scroll down this page below points 1 to 13 & after the Facebook links), from either the Quick User Guide or the Home Page. As amateurs and posted below the Facebook links, we are currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by March 2012. Once this is behind us, our intention is to create a 2 hour or so professionally made documentary covering the body of this work. We have started recording songs, with others, that express the themes of Love For Life. These will be posted on Arthur's YouTube channel, www.youtube.com/user/ArthurLoveForLife, when they are ready. Some have already been used as the soundtrack on the first "Dream of Life" video. Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented below too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.
