NWO WHISTLEBLOWER LEO ZAGAMI BETRAYED BY HIS WIFE AND NORWEGIAN LEGAL AUTHORITIES

NWO Whistleblower Leo Lyon Zagami has been arrested and jailed in Norway for his continued reporting of the activities of the New World Order criminal network known as the Illuminati.

NWO WHISTLEBLOWER LEO ZAGAMI BETRAYED BY HIS WIFE AND NORWEGIAN LEGAL AUTHORITIES

by Kentroversy

On February 23, 2008; Leo Zagami’s wife left him, taking with her, their young son. As Leo would later find out, the woman he thought was his wife and who loved him, had turned out to have been working...
as an undercover Illuminati agent all along. When she left on the 23rd of February, she phoned Leo’s mother, and told her that both she and her son would have no trouble visiting their young son and grandson. She has since reneged on this statement, and now forbids both her son’s father and grandmother from visiting with their young relative.

On March 5, 2008 -- a man and a woman showed up on Leo’s doorstep. Working for Norwegian authorities, they were instrumental in Leo’s arrest and detention for twelve hours, where he was kept in a Norwegian prison cell with no blanket, no pillow or mattress on his bunk, and all food and drink had been withheld from him. Additionally, his two computers were confiscated, as was his cell phone, and all his notes for his work exposing this global criminal network.

Leo’s wife, who had been working all along for the Illuminati, has accused him of spousal abuse, and his enemies have been accusing him of pedophilia. Leo is a personal friend of mine, and he is NOT anything like this at all. He is a gentle spirit, who is genuinely concerned about exposing this criminal network, as well as the fate of the world.

Certain quarters within the so-called TRUTH MOVEMENT have been attacking Leo as an agent of the Vatican, a Jesuit coadjutor, and worse. This is sickening to me, as this group of which by my own behavior, I belong to, should be the very people who would stick up for him, and it is most unfortunate that this is simply NOT the case. This shows that the TRUTH MOVEMENT has been infiltrated, and is now controlled by the very forces we are SUPPOSED to be united AGAINST. Most people have been dumbed-down and brainwashed so much, that they cannot discern for themselves, the difference between the real and true CIA operatives, COINTELPRO agents, Vatican agents, and Jesuit coadjutors -- and those of us who are honestly fighting these forces in the best way we know how -- through a peaceful resistance consisting of a blizzard of words.

Allow me to list a few of the ways in which someone can tell IF a person is on the up and up, or if they are an agent of some kind. I will use the example of Leo Zagami himself:

- TRUE PATRIOTS do NOT pick fights amongst their own group, as Jeff Rense once said on his radio show -- they merely agree to disagree. Anyone who DOES pick fights, and indiscriminately attacks those who APPEAR to be their peers, is NOT whom they claim to be!
Those who infiltrate will ALWAYS refuse to discuss the area in which they work, even if doing so would mislead and misdirect people. In other words, a Vatican agent will NEVER discuss the Vatican, and a Jesuit coadjutor will NEVER discuss the Jesuits. If a reader suspects someone of being some kind of an agent, write that person, and lay it all out in front of them. You will be surprised with the response you DO NOT get from such a person!

Infiltrators ALWAYS begin by embedding themselves into the movement, and at first, they appear to make important contributions to the cause. However, this does NOT last long, as the agent eventually becomes turncoat, attacking everyone around them from within the infiltrated movement. They begin to pick ‘divide and conquer’ type of fights -- which greatly diminish the effectiveness of the grassroots movement or organization. The reason for this is quite simple -- if we fight amongst ourselves, we NEVER get around to going after the REAL criminal network!

Leo Zagami has NEVER engaged in anything even remotely resembling this type of behavior. His goals are ALWAYS stated, and he goes after the true criminal network, never straying from this. Before I began my association with Leo, I asked him a series of questions, based upon my own familial experience of one female cousin of mine marrying into a local Illuminati family, here in the Buffalo-Niagara Falls, NY USA area.

Leo passed the ‘test’ with flying colors, and this is when I realized that we were both on the same side of things in this battle of literal GOOD vs. EVIL.

On March 6, 2008 -- Leo gave an EMERGENCY INTERVIEW of his current situation on the Ognir podcast. I have uploaded this 20 MB interview to my own server, and am making it available in the interest of FULL DISCLOSURE of this matter:
